Harshit Chaudhary

has successfully completed the **Generative AI Study Jam, Google Cloud: GenAI Fundamentals** Training Certificate at **GDSC Amity University Gurugram.**

Generative AI Foundations using Google Cloud

Prompt Design in Vertex AI

Develop GenAI Apps with Gemini and Streamlit

Level 3: GenAIus Registries

This achievement reflects a comprehensive understanding of the fundamental concepts and practical skills required to navigate and work within generative AI applications, including prompt engineering, text generation, and code management with Artifact Registry.

Those who earn this certificate have acquired the essential skills necessary for generative AI and are well-prepared to continue their professional journey within the generative AI ecosystem. It serves as a testament to their commitment to learning and their capability to leverage Gemini models and generative AI technologies for a wide range of applications and projects.

Congratulations on this accomplishment, and we encourage them to enhance their expertise and career opportunities within the generative AI and cloud computing domains.
